WELCOME!

How you „check in“

The right door

We have three doors in the entrance area. The right door is for employees with disabilities, the middle is our employee door - both are activated by fingerprint. The left door is our visitor door. You can open the

door using a button on the right side. Please enter! You will now come to our visitor room, which you can leave at any time.

Registration

You will find a registration terminal in the visitor waiting room. Log on using an easy-to-use interface. Your contact person will then be informed that you have arrived at the house.

Pick-up

Your contact person will pick you up directly from the visitor waiting room. At the end of your visit, your contact person will bring you back to the visitor room.

Parking ticket

Your contact person will exchange your parking ticket for an exit ticket, which you can use to leave the Forum NORD car park free of charge.
